

Dear Student, Teacher, or Parent,

This summer the Santa Fe Botanical Garden is continuing our internship program for students entering or currently in Middle or High School, grades 6-12. We are looking for six to ten responsible, highly motivated students who want to garden, study horticulture, plan and implement hands-on activities for the public about nature, plants, and gardens, and investigate the ecosystem in and around the Botanical Garden. We will meet Tuesdays and Thursdays from 9am-12pm from June 7th through July 31th. If you are interested or know of any students you think would be a good match for this program, please give them an application and ask a teacher complete the short teacher nomination sheet. All forms must be submitted by May 7th.

In addition to the service they will be providing to the community, interns will have the opportunity to learn about the plants and the environment of our region, learn about gardening and horticulture, practice public speaking, and plan learning activities for all ages. They will partner with other organizations and will practice working together to meet common goals.

Please email or drop off applications to:

Mollie Parsons
Santa Fe Botanical Garden
725 Camino Lejo

PARENT SIGNATURE REQUIRED

I understand that my child is applying to the Santa Fe Botanical Garden Middle School Internship Program. This will require them to commit Tuesday and Thursday mornings (9am-12pm) from June 7th through July 31th. I will support them in this commitment. I will find a way to get my child to and from the Botanical Garden at Museum Hill.

Name: _____ Signature: _____

Applicant Name: _____

Current School Name: _____

Short Answer Questions:

1. What activities (in school and/or outside of school) do you participate in, and what is your role?

Ex: "Baseball Team, Co-Captain" or "Dance Team, member"?

2. Why do you want to be a summer intern at the Botanical Garden?

3. What unique experiences and talents would you bring to the program?

4. What ideas do you have to help make this project of benefit to your community?

5. What else would you like to include on this application?

DUE MAY 7th, 2018
